

December 22, 2021

Due to the significant increase in local Covid 19 Cases, Seniors' Community Services is taking proactive steps to reduce any potential exposure to all whom we are privileged to serve.

Effective Dec. 29th, our office will be closed to walk-in traffic, but will be open for prescheduled footcare appointments only. All in-person social programming will be on hold until further notice.

The following social programs **will resume virtually** starting Jan. 10th:

- Online euchre
- Cardio drumming (Zoom only)

The following programs **will continue** with enhanced safety measures in place:

- Essential Medical Transportation Only (Medical Appointments, Dialysis, Bloodwork, Medical Tests)
- Meals on Wheels
- Footcare
- Friendly Visiting (By phone only)
- Grocery Pick Up (only available if order is placed with grocery store in advance)

We will continue to monitor the current situation closely and will provide program updates as they develop.

Thank you in advance for your patience and understanding as we do our best to ensure the safety of our clients, volunteers and staff remains our top priority.
